APPLICATION INSTRUCTIONS

ANTELOPE, MOUNTAIN GOAT, BIGHORN SHEEP AND MOOSE: Application must be made on forms available from license agents or offices of the Fish and Game Department. Applications for all limited district drawings must have post office cancellation date on or before July 15, 1966. Applicants must be in possession of a valid 1966 resident bird or nonresident big game license, except resident persons seventy (70) years of age or over need not have a resident bird license to purchase a big game license. Applicants will designate districts of choice on the application form. Special licenses for **limited districts** will be issued only in the Helena office of the Fish and Game Department. A public drawing will be held at the Helena office August 19, 1966 to determine successful applicants. Licenses for early seasons will be scheduled for mailing by August 31.

NONRESIDENT SPECIAL BIG GAME LICENSES: Nonresidents who purchase a $100 big game license will be sent application forms for entering drawings for special licenses to hunt antelope, mountain goat, bighorn sheep, and moose. Fees will be returned only if the applicant is unsuccessful in the drawing. These fees are $25 for moose, $15 for bighorn sheep, $5 for goat, and a $1 fee for antelope.

In the event that the number of applications received from holders of Class A-1 resident bird licenses and Class B-2 nonresident big game licenses exceeds the number of special licenses which the Fish and Game Commission desires to issue in any hunting district, then the number of special licenses issued to the holders of Class B-2 nonresident big game licenses shall not exceed ten percent (10%) of the total issued. **No special licenses will be issued to holders of Class B-2 nonresident big game licenses in districts where the quota of licenses is less than I0 unless there are not sufficient applicants who are holders of Class A-I resident bird licenses.**

ANTELOPE APPLICATIONS must be accompanied by a $1 fee per person listed. As many as six persons may apply as a group on one application form. Such an application will be entered in the drawing as one—either all or none will receive licenses. The $1 fee will be returned to unsuccessful applicants and will serve as notice that the application was not drawn.

NONRESIDENT $20 ANTELOPE LICENSES: Applications for $20 antelope licenses will not be entered in the regular drawing. Applications must have post office cancellation date on or before August 19, 1966. Nonresidents may apply for a $20 antelope license to be issued only if the quota in any nonresident district is unfilled after the drawing. If there are more nonresident applications than the number of licenses available, a drawing will be held to select applicants. Applicants may designate the districts in order of preference by number for any one license in nonresident districts that may be available. If a license is not available, the $20 fee will be returned to the applicant. Only one $20 antelope license may be issued to an applicant. Applicant shall state his name, address, physical description, and districts of choice, and enclose $20 money order or certified check with application. (Personal checks will not be accepted)
